Commissioner for Patents

Reviewing filed record the IDS submitted on 10/5/2007 which is not indicated that is being considered. Attached is initialed copy of those IDS that is considered by the examiner and made of record therein. Furthermore, Appellants do not need to submit a correction of the Claims Appendix of the Appeal Brief filed on 10/18/2007 because claims 44 and 50 are consistent with the last entered amendment filed on 02/13/2007. The amendment filed 02/13/2007 was entered, and the final office action mailed 5/1/2007 responded to the claims as amended. The claims filed in the Appeal Brief (10/18/2007) are consistent with the amendment of 2/13/2007, thus the Appeal Brief is believed to be compliant.
